TUESDAY 2

to the first - 13 degrees - her le love lost by early from, for the the centre - dear law improved, light stoothy the is werey weather to the rought how then it breaks my black to hear her - The week out is a drive, while drove her as far as like this hope was fatgued on her returned weather at four as estimate - this mains have made were the thirty was a fatgued on the weeks with the there is the way to the thirty was the

WEDNESDAY 3

who haufe willie life by early train for montreal Court who the dame - Weakler Languist - I have to set the Theusie to chay bear law went out for a short know - Joseph drove ur, with suif muie, - the returned less fatighed than yesterday - I took my wheat walke - as for as church - har drove - the fiel to quite have iey roads

Lyon fell during the high-very miler - know, melling as it falls

it is what heavy - Earof took a short shine - I tooke my

walker breffine Dufnies salled, spent a confile hours, a left
Mear law is alle very weak - the least exertion, what her

I'm always, so anxious about her i for; grant the may soon,

regain strongth - the bas no appetite laser too nothing - lear

Whitel; it is dash, to see in what a state, the is
we fe une returned this afternoon by train from his journey he want
to the how out of ment to dear the famplied found her, still, an invalid,

living on her difa - a letter from the Least selates a hurandows Come-by the de Lourolle

FRIDAY 5

Weather Hamp gloomy, Metagreeable - not very cold - I did not go rut to May write to bus Leeder - to wa draw - look not at well of Sustandary I willie returned from town by b. o.c trans - received aleter from his symmonos - willing your us, we the reast --

SATURDAY 6

early this morning, weather - the board wather very sup sufferywillie & I went to grand nuffer - We more - Com not well a
enough to go out - the again remained indoors - to day
weather became botherong cotol about 10.0.0 to m - a pinning
cotol wind from the west - I short to weapers a bash Willie remained with home - por shife! she is very weath
I sel to makions a see her in that thate of weathruff f
the coughs now them - Infpire Destroy dined here a left som

Metlerday, funday it was intensely cotol-24 degrees beginner, a a fearful ming strained from the West - Anch a high wind, its was difficulty for profile to washing - De Brighauth came, found law still very weak a fine willie - we were firsten - I monday a linght coffe thay-22 degrees, no wind - we ware firsten - I with all la land law for the found the nor to have go out - was definited I my would walk our account of the board whom you out it is to have to walk the land with the land walk our way foot - heping to fault called this morning -

TUESDAY 9

a cold morning 19 degreed - after breakfush willie drouge to the strong - her. Were autoine aniver by the 11.00.0 a 1h. train - or chay to see him are throve as far as your for hot your out the selection a hille fatigued. I deal hot your willies went how on the 3.0.0 train-as far as as it folis returned by afternoon train -

WEDNESDAY 10

Very wilde bloody our le home continues his visite de Parospe to day he break a sent her, a small parcet I willie wout to Bedford ofter how hear - Law went out for a short Mine- traps dove her with I firmy, I his not get out - I had a cold-ache all day - weather I dull a glooning to

Very wild, dull a gloomy- within went to town by early train- last tooke there wend there with Miller - Muffire the and with hunshown to left down after- him be lune, en visite - I ment out for a walk as for as therether his to buffire known a to hatter knowled for head to with by Lamp light rather sufficient for my oth yes - a letter from dearl not Complete, wenter with a pencil things to remain in our horistoutal position on her so fa, on downth of her spine -

FRIDAY 12

Very windy, very changreeable, cloudy - law did not go out levent of a sixth-Call &, on to Belford - so brigham lame, Afrank a part of the afternoon & Bulli seturnes from town by bar & train - he Loys, there is a great deal of Small poses in montreal. It is leaded - for Sergell, vaccinated him - yesterday it is, a present presentation.

SATURDAY 13

Very very mild. I went to early haps- the served Holy Communion, the for progressing very slowly - her le ante centimes to visit his parishones after thushout Willie went to the Bhordy - I went to the Bhordy - I went by Murch this afternoon - Laro went out for a drive willie days, he will begin on monday the mawing of the logs in fullearnest -

WEDNESDAY 17

train this morning- cono took her naval conicetrain this morning- cono took her naval conice-I washned as far as phenet - found it colder chiancent I present the ice house to air - minimos - to packing in the new ice - Lauthier arways very busy thought togs hat the Danty - a little from hadamit konthicker this evening - Churchy-damp a disagreeable, to degrees this morning-threating snow all the time - I had not you ont - land freshed remaining in doord - found it damp- unpleasant temperature - un le lure terminated his Visit to-day - by, he vang votre-Manne - I wrote to madame Easanth a to Madebue - untle sund would to the Athanase by the dright train 3.0, e -

FRIDAY 19

Very wind, cloudy - we be sure, a willie returned by 11. a. e a. me train after hundhown, withis Move Lord, with said favorite horse, plater root; - It was mileta clearant to since - I worke to Mersuine Me the surs to - May - shot not go out - I was bring, the greatest part of the day - a fall has lake to go out - I was out at my usual hour - Thugest figure, with within this werening - I moving this merening - I figure.

SATURDAY 20

very michol, the Luow, which fell hash night - A shiring the suite mongh of it fell, to make good flughing - its very whamp, land with not you and nor wind y, I willie drove to the shouly - I Lanther, and not draw logs, to -day -

Whirthough the argan- the is this weak the least existion of ation her. I seem to very entire weak and she least existion of ation her. I seem to very entire weak and she there to the a late level to read first the literal week on a sight call - bulk ments for luncheon - after which, he went to the the Chanty- setumed for luncheon - after which he went to the Chanty- saw move as for as Lunchry's to see I have level. I would fire as butler - I did not go look with feel well, be say, would fire as butler - I did not go look with feel well. What a lunguist lied down this afterstoon I feet, I wanted week-

TUESDAY 23

When ally lowly latter a few moments. Alle dive is our or bright, this afternoon ful very lot of, a very winds after level brief after week to bliometre of for le like went to visit to the Thanks to war to have the shouly law and I have been to the Thanks to the many letters, the has received, since the 12th week I was the land of the many letters, the has received, since the 12th week - the write to open, to trade fudge I ascherence to Engine

WEDNESDAY 24

train for town - I porote to this morning - willie left by early train for town - I porote to this Enuflille this afternature - Lond went and for a dhort miss - I this not go out - Just le Runi, went again, to visit, some 17ther Alchols. in one other direction - again a letter from dear Clara, she has withen to law, by avery mail, since Secenher -

Vorg cold 16 degreed with wind - a lught fire to day the wither to with the Mentie - of citudes to write two letters a day - untill, she has, mousesof them all - laro did not drive out to day - I olive not either hours it too loted a mindy willie selwand from town this afternoon

FRIDAY 26

The Cloudy morning- not very what - Love went to early half
the like ceived, their morning - I was afraind it with the

triced, as I miticipated - I have a head-oshe with

the go out - millie went to be offer after, luncher

the the thouly helive - Lagake a think

are filling the seek housed - to mempher, by the large

one of the pay the seek housed - to mempher, by the large

one of they went to take huster him to fine they and the

SATURDAY 27

Cloudy all day - with very cold - Love has had a fearful tryadache, all day - Willie work to the spouly this wind to the spouly, this wering with with as church - Storyer, piguit, this wering with willing

Trans truly levely, of A, great many feefle at clusch I would to go, out - fler heafers willie letter a way and with well would be so out - fler heafers willie letter a way and - it was at clowing, this might be sure of the sure of the morning the little work to love by early traine after drepth fast lighter work to Choisiere's Labethier his araveing cord work from the cook of dotte from the here - I shall not go with the a little out of dotte for differently with the differently windy little went

TUESDAY 30

Emilot & plusant - willie went to town by early train-Cow down out to day - I washed as far as thereby - at one time, we thought the weather to Shit agreeable, we had given up the soler of your out, the Luce, early with, for a broth thought out - France, said laser, hory ill - and le luce was Balled -

WEDNESDAY 31

work lonely Weather a bright few - Laro went out for a drive , I took my usual walk as far as thurst - he le luice to the Selection this afternoon - only returns to morrow - I wrote to markene Bouthillier to May - I read the work prening to diob Larr

Nather what - the Sime feating int, puly, now a their -Willie returned from toward by 11.0. et train after Luncheon, buillie a lass then out for a drive, as for as the Sharty I fear, such a long dive, may fatigue lard - I took my usual walkey for a drive betigined with huppine suprist - lond line Therew life this afternoon to return to her family in the states -

FRIDAY 2

There to finish heather, not very cold - after breakfast nepine to present the short a several of the short a several of the short to present the sound to present the sound to present the superior the subject the subject the subject the subject to full the state of the subject the subject to see the subject to the subject to see the subject to subjec

SATURDAY 3

Very colde Cloudy, un froid noir- after breakfash willie ment to the Shauly Telumier late- Caro went out for a drive-I him not got onthe I was tice of reach, all the afternoonA great many hope at mayor his one intermed pleason, the service of Landers a great many for the bright the bright to be blefted Low hours the engine preached a great marker at the Ceremonity of la de Caferie Inspire higher the about the afounder of the Child hope of fester I help for all, who formed, the afourthouse the Child hope of fester I help and left after amount of the Child hope only the property and heavy willie left by sonly train, an vorte, for Inches of hold not go out, but a liveliment to take hundred a please of this work out for a those of the former has also only infless month, to make the Const walk shapeent the former walk shapeent TUESDAY 6

Constitut with a knowing all the morning words very dull-Constitute with go out, thor did I - a grand maniages this morning, whose, a very we girl, one, for Dard's Lingers-The married a man, mounts soundland from the ling ide a telegram for willer, an invite, to dinner, whospets with Lir george Lather-at Mir M. Swillier's—I have been bridge all May— I'm tired this evening—

WEDNESDAY 7

Cot of a bright, voads very full-the board walk blocked who a hope is culting a habrow voad, through the nuch, accumulated know I law aid not go out, I took suy what walk - ar Brigham come, took luncheou a life with suffe luncher to Johns by the 3.0.0 train her to cure you to town in the morning - a bright sun -

Suffered led away - makes it pleasant to go about, there is with a Mefithe of snow faller - Caro make out for a since, I was to enfect all morning - I water to make out for a since, I was to enfect all morning - I was to make a Tread the whole evening my le here relieved by b. c. e train-

FRIDAY 9

a fright lot of the hay- 19 degrees this morning - I have a could like hot with for a drive - received a deliground from while willie stated from Quekee - a titigram from willie this mening but mening for matrial - wheel to whe hold the wing his bound montreal to when how a head nede - from back Mighthin Those a lot of -

SATURDAY 10

regist Lun- 20 degrees cot st, this morning - Oben within surprised by 10.0. a train- n. m. Lo glast to Lee live, home again- fangine is setter, atthough, that weak, a delicate from the print of little water - they - very cot of its leather - to the the the for luncheon, willed went off to the thanks, - velumed late for since - played to fight, with builtie this wering -

Test, thridge to me white way 10 Lest - great hours he should be the state of the should be the porter, the takes, twice a day to do not not go and he so the state of soot - the should be proposed to the porter, the takes, twice a day to do not not go and should be soon the state, has a tought of sufferent in the soon the said the s

TUESDAY 13

Thought weather after preabfust, at 18.8. Sullie a fast from here for a late less here for a large of he trubbed, with minent, within the rubbe of me, a late Minney the land of the short of the short of the short of the short of the south of the land, came fach for a late Minney the lune of the mount, enfine here, this derman Mid not remain long of Min not go now to diver, enfine

WEDNESDAY 14

thouset, a great deal mering the eight, and all there is write a flefth of know follow - ref great warm fulle at another house, with the south they style - I'm much hotter, with moch will wough, to that out - commenced be leptine the careful to my fully afternoon - it will be at 2. and eight of the thing of the time of very sund the first of the property of the time of very sund the first one of the first of the first

the true are but your, by the winght of the Lucy - the train, was two hours late - the true with the Land - the Land - the true full, too heavy - the wind to full, too heavy - the hold with either - way recumate fraint, before lift ye - The pire the person of they the 3.0.0 train - mote to the residence the the party that afternoon -

FRIDAY 16

tare walked and share the for a fort and letwick the first way, the say, the say the fort and letwick the first way, the says, the says, the says, the says, and better of the fort are out way hady the start of the say that the say the

SATURDAY 17

very long at lotal menther 23 degrees - ofter humbers, hillie went to the, Lhanty, - roads very full & heavy - he have a Trusto an ariand by 12 past 5. of train he former, to so municipe the from the law har the word of had not time, for and to lay war did I, in fact I had not time, I was to budy me day - I'm tried this mining. Here Irandean, had not here, time hareh / 65 - he is to gay a aimable —

Letter day Weather leighte louch, out to rearning 22 degrees, a great man highly at thurst. Verenay commended this are hung-tracker Studence, becarbed both in French by life most admirably again this offerhoon, he was been seen the surface entires aske should his preached be able to go to thurst. Fit makense enumerity— I'm have french be able to go to thurst. I was found the organic sings; the organic sings;

an elevation theory bought bright thenther - a great many felled and elevation the fewer gents of the former fully free autime freached this morning, was admirable, and when he fere Imsteam, meabled in the layer showing suaff- this afterdoon, he preached, a after weath of the layer of the winds foliable the front speakly the first proof the first speakly the first all went of the suite of him to much - feel all went of the strong, he from the strong, he foliable the strong the factor of the suite of the strong the foliable the strong the foliable the strong the foliable the suite of the strong the foliable the suite of the strong the strong the strong the suite of the strong the suite of the strong the suite of the suite of

quite a change of Weather, hindy a disting-not got of Last go the work to church least go this aft then back to the yi part gove har her is afternoon, the hard her for any and the organ. He Peri Ir welden player the organ, thought his morphing a this afternoon, he also have affect. Pere autime, made a paperle dermon, this morning the young people have finished a determon. I tais formed married her lemmense afternoon. I fear that have had measter, for our hetraite - huping to yeary come this morning, the charpeney left by early train

Petre Mobile Speached - Larow I left latter in aff that with remain for the ab durch for the Stern on - It was explusively addressed to Frather's a histher's - hust berry weeks, he was very interesting - a large count, at thurst - hay been, to have all remains to flier and festion - I would not get my term, I have home, a peter from hund enough, to hear me in my room - were, a percey came, he helped to hear language with artificion - I be autione left this weringthy of a a trans we regretted to the him go be descrey, aft at yearly the he was diving he played the first with within the line. I'm himst, the

FRIDAY 23

Tatasety total his morning 24 Segret - I work to blurch early - I went to
they baster Duly I well so khowhful to be bull enough, to assure the I
thurst often - PI bleak attent, at prome suprins for father week I
there will not not so bush a little suprins left father week I
there will not not so bush a live this afternoon - The motion
I there were and the whom the to being this afternoon the Bre
there were and the whom the to being this afternoon the Bre
there of hy 's part bill a train - Planty, Summing, this wenter I have attended abunded 3 times to day to only feel, a latte timed

For we dean prended admirably this afternoon of der la Prince

SATURDAY 24

broth lovely Weather mit el pleasant, a bright Lun, Low, melling fath, I enjoyed may walk to thursele a bash, It his morning - Last of the live to the past of maps - his lie has afficably your feel for thanking to set lim, so menteral, to fulfill his beaty feel for thanking to see him, so menteral, to fulfill his beaty for forty will belefs him, a recompense him - after haps he went to the fire from I should to the start of the gold who the south of the soft I should to the start fine pleasant weather will contine - Pere modern, lowlines to breach twice a day, a he plays the organ, twice a chay- Lost word, at thursely were of any; it is vory edyfying;

Porterday it was howing rain-Still a great many people attended clundfor Insteam, without he most intersting in all has hardoned, forth in from she & English - he is specedingly libyed - he plays the organ heautifully fouring rain-hillie has attended to regularly - to day intending that fouring rain-hillie has attended to regularly - to day intending that when the truncated they she many people at thursh-the treatiful Navanatorminated they she ming at 11.0.0 what days of prace; to by we daways live, under were influenced heard our ways - Goo people with to their tout of ion, a 800 went to their Laster Duby! how very edyfying! Vote thrustean loft this wowing by 80.0 trains he is teredil.

TUESDAY 27

Atile very gold a loundy deanlating here & there I herte a hand been brody deanlating here & there I herte a long later to the for Enspipell, this afterday - Lowo did not weave, of going out to day , to intendely cold a not less large work of the debaction; to lufty winhins, 3 to toutetts - I have a cold - I wough a good deal - I played

WEDNESDAY 28

The bight chay, cold & windy I shot not go out, faring to the state the windy the did not go out - Dr Brigham to cold of windy the did not go out - Dr Brigham better to vaccinate Caro, a new it was a preventitive - then had been 10 cases, of dread from method in Beetfrid - we have not not hearth to the house that hearth, of its spreading - you grant, we may be spored, from Luch a flashift chipeade -

A hight Lun swinding tohd - 20 degreed, the wind, has again white this mortining it was latin - this piercing hind, makes it to thing that to thought is withing that to thought willie returned by 11. a cf I bu train - the work la me hack this flower for home for the for the Prove to the thought with willie's anjoyed is a drive member received a later from wird hyper, one, from madame Beforethe who, a letter from Colin -

MARCH

FRIDAY 1

A putinuation of fright tenther, 19 degree of the this morning Prayers, at Chrisper at 30, a plot plant & dinging, to ornhience
to two weeks to him the total going, I was deprived of doing to
from a livere pain in my both. Thermalie, I doppose Laro days, there were a great money prople at church
Willie went with laro a afterwards, they went out for a
white - I played, priquet, this evening with bullie -

SATURDAY 2

Agreed hillie south to the street but here of the sentence of

went love fleased - he le Cures for Infinis arrivery

rather letter weather to-day, 14 degrees each, the Leve same out this survivey - the roads, they free amful, sauly of Liver here there, Lanthier, went to light one through - as for our board walk, it is inticting him the house, came for him on Brigham came by the 3.0.0 train & returned home this afternoon, at returned home this afternoon, but man, came for him on Brigham came by the 3.0.0 train & returned by the 5.00 e train - Case 11 Nascine, is to thing here well-the off is quite pleased, at the appearance - billie dweet with

FRIDAY 8

The strainty - they have commenced, to luck a norman proposite who they have commenced, to luck a norman proposite who they be not the the accumulation who they was the har height of the bouch, I how a factor of the bouch, I how a factor of the works around the feath, with luck warms that fame thate, the works around the feath, with when warms elder flower described and must fair included, amound to have aurogance - willie paly with about the har aurogance - willie paly with about the face of the works they for the works that the hear almost impagnific a glorious furthing at 5.0.0 - wast of full paly went here same the same than the same

bot very lot of, to be compared to the early past of the week—
withink I went to grand meghe this morting at 3/4 past 1. U.C.—
which was being in the verting—it was a mast of themps giving
which I, has pashed—often bereamfust, will wont to the t
I thenty—its very o dol, Lond has us fever from her
vaccine this his the 10 to chay. I stack a worker, the
who he afternoon, has enough exercise this morning
returned from Church on foot— he have went on a side
and three to day— or Brigham came, he says, lond I vaccine, is all
wight a she is post it—this Humove, wellie week to thembridge village—

Jefter Hay, hundre know, in the night - very very suit of - quite a than othered to get, a harrow hath, madde or need a the board walle to teach blushed,
a great many copie at church-celebrated the cash of the forethe growtharure a
Linging the the organ has a line was heautifully arranted, with lample clowers
to to perfect for let here left for the alexander-fully some out, somewhere - this
you go to bestore-core, if not g'adjaced, the wear through his work yeary wella tomper-hoor law suffering from a feaful head all of morath or by the fatight of peterday

I that your suited, more know, change the night-a linight on by the fatight of peterday

I with from the finging of church-a than buy, thening the board walk, blocked up

breakly, cold, & chagreeable, wind V. C. D. Hougham after breakly with weak to keef the Lish child, he Lays, he is in the sing the flish Learlabina, to theefe away, from the house, with to being it, have large that had the Learlabina; It is a very lontagions enabable. Theges, those the De back to the May with to be they have to hay large with to be the house to day the fact of the form the faterander to be the first to the the faterander to the faterander to the faterander to the the faterander to the faterande

WEDNESDAY 13

Very like this morning, 24 cheques - a single hun the de came from granty to topped here, to see the oil s
third, he is a ctivity on, bereity well, he says, the dearlation
(wer, will last 10 plays - got; grant hear law does not take
it, I'm as particular, as can be, not, to allow any one, to lame
here hear it at much - it /graphan with lindher, a
lift for the bay, hegis; drove him - bown with wath for a
time a for any panal wathr, as for as plusch
it left, than I wen, working his the Piers - dush a sumber, to feet

a little Inow feel having the ingut-lory miled-fillie returned by It has to the and the heather, it ringed, I take attracted to the attraction of the winter the heather, it ringed, I take with history to be afon a elsewhere — touch afternoon.

Initio ment to East Sympte's fusional fester they— when Paro returned for durined at 6.000 - the land tirely no worlder, having her with the 'thienty's it was too much of heaven land, stair mening — to letter this wenning, from markame kontailier—

FRIDAY 15

what a dudden though, quite bouterned, knowing during the saids the right with the states of the state of the said of the different of the states of the said of t

SATURDAY 16

the took they work for her exten- the sought sun- Low it less house the took they would for her exten- the sought, now a thrue the is attle for weak, that, I always feat, the will take some and amusic ourselves, by them, at 3 parings, hereby in the four feeding, we would not have them hind, for a great steal - I took my mather two men cleared the Instruction to feath wath it herewas quite expusion willie went to the heatron to fetch rusic deflivieres & her dan

Is believely Weather, will do plead out, we all wout to grow! we fee - I work hasher to be before the board weather to he heatent. Sono ship out who wout - I waste to we have the soly out who wout - I waste to we have the more thank the work of the sole of the frautity of drow of dlen, again, is the about the practity of drow of dlen, again, is the about the practity of drow of dlen, again, is the about the property of the board. They walled with which will sole the time - of the wither, the past, they will be to the pleasander with him to shout to be down a clean here the state, of the weather, has presented, the here, wroking at the prior, what a stellary -

TUESDAY 19

more I would it is really dreatful to dec the quantity of from falcen-A ter bur shear an a pase left for the meline, to frethe to the angeline Murry the heheat community there this morning we heard of day that I the temporary Chapel of Lebat her, what burnt down. last functions driving the might - the brand walke always blocked life to for last, to be defined; of going out to the about infeat able for giving billing remained indoors all they police came I the fice for business -Revived a feel of feel of feel of the sound of the sound

all directions of feasful breakter, from drifts, mountain high ine out directions to dean, since two stays, obliged tot go to the thurst, on know the outy way of reting these - the wight of the bound of know, wear the de the floor a stong that he was from a dush or he weather, to degree this working extraormany a dush or he washer, the deep less this working is the weith week this town he had be suited they had to washe with the stay had to washe with washe in a feasful the dush of Lune - I be white afternoon -

FRIDAY 22

to french hope here able, to make, or rather to let a narrow word, the week to make, or rather to let a narrow word, through the include quantity of Lower, on the board-graft - when, wathird, he have be agreed this height of Love - when, watherly it seashes, he arts up to know brands - there are no live to be the first, they have no live to be taken to be first, he helped, to look thought to be taken to the first, ready, to be filled - mine, lors a I went to have to here the first agree from the favor, is be placed up it is a first in a from the first prantity of Lnow faller;

SATURDAY 23

Wenther rung milder- 15 degreed this morning a going of bur, and and work, at the greatest fash of the greatest pash of the day - Carrow annie bound ont for a driver - De Kinghant came - en papeant - be sid tied out he is aftered - I walked to Clurch - it is knowing a Mifting; it comes, from the Louth - I hope, it will not last fine a fine morn light -

MARCH Holerday, Inow again, ouring, othersday hight - the board walke, filled, finte trocket up- five were officien to the owner the defite of I man in the wast, featful - a great many men at Church - till Justo their patrud, - mile a land week bathe to bedfire Lard make her length firestile - willie More consequent in business, after I therde it is the blowing a drifting! To day lovely weather, a leright dun, not very what faile lift by early thrank, for townwhen suching a cut, on the how wheelt up, fround wille a will be able take anyturnal wather, this externant a yang of mon, hard at to o the fat the fiers, god; grown this ine bustien, may last; men Xentling the see away, finned the play, the rach a the dant; all aght? TUESDAY 26

a few flames of duow, Lattery how a then very with the Lude Leened to de order of after breakfish, was luce Went of the Lebakhen, returned in the afternoon the going of buen nothing hard at the wating of the frest, Genot that Weather very Many this afternoon - Coro received a 1. Josh land, from Willie Alis wering written in Italian -

WEDNESDAY 27

work louty Wenther a proper Low - Luch a pleatant unter tourperature - water youth cours a took our early dinner with her to live I am had a fearful healt alhe - I went with this afternoon - the June, the following, at least, Memorithing in defith - - Willie whave of from lover this afternoon- anglie is not well, the I retired the her room a did not come down to dinner. bright weather, hund from the 1 Vorth, pather heen flored flare will weath a church - a great marry proffer attemption the grantity of taken to lampt, la wind returniffered a very attention the grantity of taken this afternoon to weather of proffered for the superior sweether of the law this afternoon to weather that, he way to we the law the sure of the law thing the land the strength - I we also grant, the way took, regain her strength - sweet is feelest - "in tire of the all retire early the water in the private some singly for they are fruithing the fruit water in the private some singly for they are fruithing

FRIDAY 29

Nory with a weather - a wight fun, this afternoon - come speak with went to church - the is very weath - the is very hople at the church - a great many prople at the church - a great many prople at the church of the Crafts - the beadle, not paying affection, the the fire to one, if the mustin warring on the fire the of the allow from the paying withed, a feeled for in an about the fire war blazing they asting withen the top the fire war have been by the top the the top the line of the last war beauty this opt - to the last war blazing make this opt - to the last war brief this opt - to the second while the last of the soul war were this opt - to the second while the last of the soul to the second the second while the soul of the second while the soul of the soul of the second while the second war the second with the second with the second while the second war the second war the second with the second war the second war the second war the second with the second war to second war the second war the

Very orlow for the Lesson, N. E. wind - Lawa mine went to church I did not, nor whole willie - stir forenoon, bullie Move to Bedfor ch - her offan Deliste priness by the offer of mot not go out to change

efter than a sea ful, heavy fall of snow the board walk, blocked up The defithe of driow is Robitephing dreatful - a great wary perfle at The Salut was Anagruficent, flow athan superte the Mumication regulated - Verpert, much sh 3.0. C- at label they Lang the I heglina, admirably well - I went botto to mation welfers wery The aderses Chiloch, twice low was preaded, with her singers-The heaviest surve, faller, is since out right a this the found abandoned & the TUESDAY 2 by the fin and ting, a vasterre blowing till- It seems, we Tige a greater defeth of Lnow, on the foures walk, than, we have yes, I for this whiter + mefine it fewage only sensted thing the night as far at the blesander, there pole thair though this morning I offline left, to go to de tolers. I the train theethe Somewhere I doubt the law returne to day after him shear willie left to go in the township to the I shall with him - a should to break the road of he work I alling, no hever to much know dean, in this park of the country-Landthier, has to got shoul a lit of wood to half through, art Converge here the Moun in haptable, toods way where, impossable

WEDNESDAY 3

a bright fun - 13 degreed to At. This morning-willie ment to own it this morning to Caro a mine went to church early to there were 3 they went back to Make a lut on the hoard walk- only a harrow road- they dong, this time, the depth of thet snow, has been greater, then, the whole winter- I ship not go out - I fell large interested in seading a fretty of the both of

In bright Line - very wild - Lnow, Minnsighing in growthy -South Brigham Carrie a form luncheou - Early a Annie Wenth South for a drive - I walked to Church - prefect through The Marrow cut on the board walk - Laro alway I very Weaking the out rays the much take brandy a water, and her meals - tomics of first Ammonia, with hither I word times a thay the has but no appetite - Jan to missons to see her in

FRIDAY 5

A continuation of bright weather - rother colife - withe come their survey by the o. e train - after luncheon - some amile went out being for a soive - god; grant deur law Law the may room regain was strongth - tothe they wend wath - the himmenses quantity of theon, the sentiming, is comething the line rainary of the water in the shoer, very very low; the ice, very think - may we, be spared from an inundation;

SATURDAY 6

a big let Lun- it is fearful, to see, the obefith a quantity of down, every where - heartherlands, from the Worth to the louth - pro appearance, of the water vising, in the viver, the fearuhy of water his such, that, at the huill, they can only, without one thouse a accasionally, with two stones - a accasionally, with two stones - of the form of the afternoon of the stone of the afford - Caro Leems a thade letter to day - 47; evant, when all this immune mantity to draw, wester five way not, have any resident, course by the

MONDAY 8 1872 APRIL. Medler has weather very mild- flowery- I now your not oppear, to well fath The runter wary berty our - no privaing at the hill-the diffet of the Lee, is date, few ful to witness - few all week to grand mege borne a Rivie around four is to shear, to wathe - if this with return to very It is heart was day to bee to much know to a old mofar It sterrippy. supapeles in loque places - you frank the ice may not built. dust thange I day, cloudy to dante - the drow ambushing it Leens to have metted down, very much to day, the more till very low indeed; bulle Lays, there is yet on immerce monthly From very whore forox mise walked as far as clurche Dars Alterned sulighted with hor walk or hot too forgued. TUESDAY 9 The start morning, than It cleared who, at 12 as a the Sun came out wars Lingle worm- The year is rising- water falling over the daw-for the time, dince a long time - wet gave the Kindal breakfall they & love 20, who had donor to breakfast at 1/2 hast 10, a. C. a. me the brital . I fake, was very handsomely decorated with much laste, by have thousand the was at his Jusion of wary thing they were rel glay a happy they . I talked langued, it then, fle mand to hear thehre dofthe look 2 Deap a thealty Willeper toiletto was very becoming twillier Lard gave them I we hefore a realifast - wery tung, was done to please them -He Rand of la deaux, were enublelagunge for caper bashets a brotter to at Thefre leaving they returned Stranks- In a cure life this oft on toute to town forthe farmer waid, filler y grown WEDNESDAY 10 much your this norming- the water very high- the see below the classe, has not yet given vay, incomprequence, the bath water is Learne- the old hotagen garden- is quite overfloodwithin paper all his time, at the Last mill, watching, with an a short eye- the evogrest of the isting water- the pringer view we could go over and the office but finence Court or home Value work you the grat the paper the viry thistons, on a waggore you grown we be spared from they learne, coursed by the immeds height of the water

APRIL

a tel de moraine, the hand the sefect of withdrawing the water - since last with the river has showed of one forth-hear the girt hill is the header is high shifty south is a maggoon - the lover field of the garden is not to floor deal, as it mas - willie was an hardhach, gring the white har not got got out the line - Coro of it not got got out the white har not got got out the line - Coro of it not got got out the water in the morning for the land with hope in the morning for the will have a land the land with from a sufficient for the land of the land

FRIDAY 12

The summer of the high form - he water in your down all states the state had not been as some down all states and the water to the state of the stat

SATURDAY 13

tring dear sure teachest town, without fatigned the some of the string of the state, this think - we afformed the string fation of the state, this high-hillie Loys, he hoped to that now, there is no stringer, on afformered of the warmy stand walk - a letter some teas are this wering - and Loys, the was out very inch pontation to tappy to tech her - the wind blend to imprease it is quite of the this seeing - willie had; higher the lother, others, had one

The field of the now britte have lefter will heef it there, it drawed the hours of the first of the stand of

Involving this morning, & degree looked - this cold weather weeks, the remainder of the see, so ming sown water water the grind will is prinding in full the saw will it prind after the sorms willie left this motiving, trust only happed at / e feath & r.c. - x standy what what a fearful late teathough to the test of t

WEDNESDAY 17

hoary frost this morning - the ice thill an van of soin that
if Land of it - A is instrume the quantity of gritt at the hillthe trumber of valietes, at the or or milety if running to secy'un treed, worken in the games are very frutting a way the
furs a the winter things. I wrote to fair hur, be when your
if of the Libration - Shark the evening perfectly above - year

A bright line, till very outh, for the keapon - Sullie came have by
It that 10.0: & train - the law board, he hay s, the is to thing betted

the tel at the horn is that think! a large filed give
is shield you the some - the water, being lower hold shrong enough
to furth it off the grist mill outsines to be filled with grift

they grind tright they, the 5 run of stones, sutthe line
of the further - I to ohe they up all mather and fine returned
this after nown - I wrotte to her gain this evening, to webote a letter
from the large the is beller - to total to her gain this evening, to webote a letter
from the water he keayour Lixerie to A hard -

FRIDAY 19

bring oh rain a little aler - Stad two rains, with his ment to messer's tofor breakfush - he was lundy or Maining with his men, at the break of a steer while after such took he to do to the exceller has been walnut the roser of suite from we the roser of the same down the roser of suite from the the subbish, that some down the roser of the start of the survey of t

SATURDAY 20

Agentant willie that in a gen went of and a letting in his few mill, it goes beautifully tolking of usy struck the place when this afternoon, as usual - this warm here, will take away for the form of the strong of the sound of the strong of the sound of the sound, of florite the warm of the sound of the sound, of florite the warm of the sound of the search, such the sound, of florite the warm of the sound of the server, as florite the sound of the sound of

Afterday Jumpuer tempurature, a wearn a freuent, a great money forput at the start of the work to the start of the feel of the former of the start to the start of the sail will wrought the see of the sail will wrought the see of the sail will wrought the see the about his logget still afternoon it is got the dante - Li ac the sain has ceased - willie at the buill, deeing, that wery thing if in readings to make them I all, height thought the work of the sain of the sail of the

TUESDAY 23

Strike cot of for the headow - truon, tall this morning, the strike of the plane of the string, guite a wintry topegh the string the law of the strike the

WEDNESDAY 24

Anow in the night, the fire lane out, a took we that away of the hear bound of the heart was coming hope of 11. v.l - a he was going on hear have found secting - I don't the enfroyet, a lear have amined the hear had hed sown as a stop of the balance law, always fleshe stear blild! I'm as hear fly a fee for - perhaps, i' would have hear blild! I'm as happy a fee for - perhaps, i' would have hear blild! I'm as the happy a fee for his the there, it is st dry a pleasant the here here is the fright ham.

THURSDAY 25 1872 desiring of make a wag recable withis went & It folist this marriang es conne bache at 10 p. e., with, h. APRIL MONDAY 29 1872 existery a very fold sorning I high IV. Will will souds, have The de fourther ally a gheat many people at Churche Court I did of after beofierd wille went and an hursehafele To- chay, again, a cold morning - I till wear, my Place lines for flor + tare to the 1/2 a fill of long reted - Mars front feel, wellthe Hays, that, the id from to flend, nextelf - not, i interfease with ther diet, or require, thought of sight I would be is to have her own They - the remainder of the logb, Mous Pance down willie with the her, degree to this important work - he is away, Inse Bigil alle- for the you hurchion he is to buty- I took you washer TUESDAY 30 it elynphy enorming of twee closing rown after breakfurth bellie left to In the town to menerse of the prayers of the month of mary's Linging it the organ- - are, I folar, will feel tired, after the much for the mayor! If prois de mane a left insmeshalely after - Caro hove to Elurcha seturned wathing - 1 aligned friguet hirthe her, this mening - the Lyon Come with this afternoon, the weather, was lonely, wiren then Epinh -MAY MAY WEDNESDAY I Again a Clovely morning-a phreament rain - Part went to & Church, the Broke - a walkelt back - har le live, left by frozght tran Lat 3. are-for to folial, in write for montreal - Elan Averel Levorald Municald - 12 septing the Gabaruda Lima's - finding it, yet tol early - I must to f church - a fearful high wind I walking with afficiety, against the wind -

part of the right - very heavy throwers of rain, during a part of the Afay - withe religioned by 12 10.01 & i. in throw - this of terrorow, the Lunch stand out to bright a lovely, court week to the surface the sufficient tress on the 10 and to church - phenyed lands this weight - willie hrought, so the fruth went to the hills - land went to the Low - willied to as please a to see it, work to the Low - will have hills - the to the Low - thunder was heard in the forenoon -

FRIDAY 3

Very coth, with to key cold, to they - a bright fire that to the form town by 10. a. a. In town - hour for house of the week to the Loke. mill after landpeared a returned home - I have first finished reading, thewange, a lovely to whe - I'm in shouted mitte it - week to, mais de thaniel, - Paro Leng, as usual may, the not feet, the exertion, to much - I three my Cloake lined in fire, to day -

SATURDAY 4

vain, abld, changrocable, I was quite ill, churing the night, from our indiges him, e gut of by a strong fish - I keple song hed the whole the Paragent to take Paragen and the for his with go and to day the Lun, come ont the grand on the sound of the sound for him and the State on the strong the wint for him at the State of the strong the right

1872 MAY MONDAY 6 Matterday very pell-fire, in all the Hours a great wary people at Alunin they tilly much I wand on my xtfa, all day, xt weather with of sorts. Defly sighten some, in fedstant - one thent but to week at Ind. W. Do house of a Willie after help of they went out for a riche on ho weher the - I have the heere yourstairs kinds fuchay -No- chay raine in the morning- cold, yr. E wind - hellie and neigh bory at the hall, fall thay he is that, hours howing Ine makest In till very Weather paint, not over and went to Church, this of territorin - the Lays, the is atrunger, I March Lee it, In w. Drunisword life this morningly ourly train TUESDAY 7 out Wenther a higher been, manned deapart in the live - wind Why W- Her breekfresh be a lune beent to at debather showed for Firmer - Willie morned at the face well, the forenore - he maket hundly to recepel - have never team him, to mediathout - our went out this afternoon wille hunt in the township - I'm better, not yet very strong WEDNESDAY 8 know I were rather negler there differeday - fulle week to four by asty train - referred big anthe took howehier here; ligh thoughty often - I his after wooned, I are very bady in the for den to the first helper also, to down Leeper Lauther Lower, heets leary ots, propont Ladify a a Jun with will Iny weather until for any thing, like, an the 1 Ar our anealsmany profile the Phank - after Live Bay I think put grant the part of the point of the part of the par

FRIDAY 10

The wine, carried theretor storme forwardly, it shis not last, the wine, carried their bank - I have a head a the morning - core went with the morning - core went with the morning - core went to the should be the should be the standard to the should be the standard the standard

SATURDAY II

Very leight heather - but cold - I hope my hest, a frost of how stay & Salivated a great stade, at night wory weaking my head- relies lengtully now meadfuld, that I from the wary of faring, hower a fativition of it has wearing - larve, goes out as strond - andy about the garden willing hees constantly, about, the Low- mills

Gesterday lonely Weather Josh up, Lut in the bonderic, had to return to up your feeling to weather nervous my head to point, lof ter vexters, while went to the how of law is not two is the true of the Luy it is extro much I fear, it is -X In stong finge Weather, but very took fine in the known -

TUESDAY 14

Meather bouch - Law was out a long time in the governe he sertain the will feel the had effects Mit later on - willie buty at wheat in fearfully meath - the water is getting low in the over - this, they saw night a story

WEDNESDAY 15

from to be much working in the yarden - to then, the from to be and working in the yarden - to then, the that a leastful headlashe - the fortigued herself an great heat I gester day planting out, the helm bloomto-I'm much the Lower house a view always Weath -

MAY THURSDAY 16 1872 cold a very winely - froth this morning - Low, in the stepher clitables head-action, estextonthy - for Brigham, Lein to other it montol wear meny- it suff heroval, a and eart by the Laboration of with with - have with been smouthers Almoe a farting like - some is letter to day, her hear-aske has lift then of five in all the stoned -FRIDAY 17 troops lought queatter, very warm - I went out for the inthe tinfe since a fitninght; "Lat such, there, much me my bath- Chair, as fat as the regetable carten weeky - willie sturner the frame this specture Lower which to buil the Manie -SATURDAY 18 bery files and warm meather - & papers a ball That, no steep - he other Deliple some by oftenway long time - How Lo hear Townstains Live for when the township- returned in the to go to the Station How me selicle mother Dufine laure for unchen with Arru after -

MAN MONDAY 20

It Therotong— It was nery marm, a great many full file at Plusch— Last workfile it died and fath after verters, were rachible to the full of the Welfert it died and fath after verters, were rachible to the of the to the Many they after a late diener I am lokar attroph, this weather with pain suring the eight—

The New politic life by early train— heldie they to Planny after the men, we thing at the hill— Early cont out of afternoon before when he they graden— ment soon to him sheart to themselve.

TUESDAY 21

some vain suring the sun came put, who I pleasant - .

Some vain suring the sight - within always buty whong

of the the Law-hill - Sept days, the is futter, offranges to

for worst hang - are week to mais the land, of their

Wind to kertford - Enso weighed hosself, to day - the

Extraction 111 light: " foliage, it lovering but, sugely -

WEDNESDAY 22

track the runing weather I date out a gain to day it was being dille weather breather fresh air! - I'm mundyed at being dille weather though, I have gone is alw to my harder ad wheat - Caro trungle the tare, best strong the went to make the harder of afforming to play I was afroid, it would be have her of her bearing the fram - after light for to pannery they where to move the finite heart to work a fair they when to move the fillie mean to lower paid evening to consult a set of stare of list to see, leiner lists, patament of the throat -

vain suring the english, a a liste fell this a cruing stimeth, a Mention of the the property of the section of the property of the state from town, by 10 and the sector when the surface he suffer the sector when the south for the south of the south surface of the south of the s

FRIDAY 24

Howashy threatoning vain - I have not been to church the start of any first about of the and frostration of rather the first which they are for the first with the first had not not form all, I come to rouse the first with the first of the start of the

SATURDAY 25

vain a strander hath right - warm out tide - Low way out with the protection of the former hed - with the protect on the green house my head aways franched its very odd i I dat out, this afternoon - a prime at month will be one druckee, this afternoon a prime at month of to morrow morning - he saw only some home, on hundry morning - Low perote to a play morning - the sure to the poor man, why such his brings, it heling he is in finin, the sor some, he he as some well

Settorthay a bright day, but very oot, Last wore, her Cloth laster, the go til Church, then the suffer has suffering from any headfirst he super, went to some by early traine— Law, had all the first, to there menuments, the Walsons, etc. I have brumments, by they were he had been in the greater the walle of they is a thate botter—

It Wagfam came, he hay, the brought were head is a thate botter—

properly this afternoon he brought were think of effects, to make to fee
pround rain, the wall all flerwoon—

TUESDAY 28

Jain bath sight or thoward all day - tamper fire in the stand - willie to me Classe Lyney, yether day, Loying the was girly the Land fire fully west to the land the branch fire fully west to the land the property of the land to wind, the search fine and the little from the Chartrense - the grant to, major at homie, the fine of the forming vine of your print of your property of this bound of the forming vine of the forming print of the forming print of the forming property carries, with wellies of the forming the day.

WEDNESDAY 29

Taked a stamp, clously distagreeable - Law ton a head-acte, fige in all the stores willie at the source with you with you with the clay with all the large have a wagh, direct super time, he will with an a dish call, this afternoon - I'm letter, he will a though, my head, is not get, gente from from from the Leason freshire of lenge same by afternoon train-

MAY THURSDAY 30 1872 In Probettion a Bloody took olay - pleasants for they Procession, a great many people at smuch - I went to haps for the 1st time I spece 5 willed - the burging in the organ, was very good hiper a the george Land hap - a latied theest at , thering the Whole wie but I me organical it all, in great order- Millie, at usual follower, Merrise le d'art to Como susted ou following the proller wa dinger q - gettershar she suffering from a fearful with while, couper, I wife the ree, who hims in the parter - after landlesser within at 1. Tale 4th for the Mand less write till Harling ton - they will rule schaffe there to marrow begins the organifiley 3.0. 0 to time the ling it rabut and being again being - the allow why heartful penning this morning, a rounning all day - that, is, this afterboon it was blowery - Ville left for It alleans this morning, he may probably go on to Burling tou to week evelice of Un 1. Gulle - Court of sweet a structe day this morning to specime, Laf we went to Tabet fair of ternoon at by ail - it beat also, la floture du moit de heard of wurse, we move, all The time In Lay how the fire fell, into years. I ways how my thing a good it - the latit was heautiful - the Shigning / ah the propor were freth JUNE SATURDAY I I pin thering the wight, total, fine in the stones willie solvers from furthereton , this warning to specie a sur for the thore the organ, to commence fle mois du save deur de figues; mets all wight to Valut this afternoon at 4.0.0 - Willie of the will, all the time on on de very sunday - It is do will a In Lagreeable, that I have impossible non floth clock lined in fur to Toto Church, this sternorn- willie ment to exembradge will be go this oftenurin - it is finte rulumnal - rain by lor rends

A standay, very look - week to growth heefse a septest - veally from the stand of the stand - with a server - work to the stand - bellie work to the stand - best work to the stand - the surface of anney - light a wind for the surface on the stand on allie work to the leadon, and is to the stand soft on horself - selected to by for a last denter, to the season, the same of one has the same, the same of the same

C. train - I ha willy out to - day Theyer & besigner were line chion, with hipsine antry - this Meningy with the a River I rend till past g. a. of - I like 1, Land tholgophin, to well minten - Lever I, Last I believe FRIDAY 15 the exposed covered with Love a bright Line - welling it Alla Jary - hithir returned free morning at y. a. Cother is The diff he redled a part of the day - I wrote to love I - I hear four ser, every sperior of pato ling family alway, In fain - wode Illu afflk felly- a felle of guines a post card four tard - melysta a new about four Wir Campbell -SATURDAY 16 hip is Winter in full earnest - it feels wohn it; the Lun course out for a while - thou it knowed now a there willie is again loudy all stay to arranging captoards a all manuer I think I her Worum mond amount by set train a leter from love und E. a dhade better - 1

NOVEMBER MONDAY 18 1872 lefter day i Howard morning - a king be hun, cold a be leasanh - for the State of the wood a good money heafter at the hourd we all hand to may I went to look to lead to fearful - the hourd walk so fleatant what should we do, without it - this wening it to this like out for a wathe of ter brokers to day very fold, a proveing wind - her Worummond lift by exity traju -I shot from go out to stay willie alway french through the Those played Betique TUESDAY 19 Bull gloomy desagrecable damp day within much to the Johns by early train of etally marie he here they mived by the Acoming of hearther very Charly, threatening Low -WEDNESDAY 20 very cotol, a puring wind the grounds will Iwan, hylenned, to receive a good fall of door - It is very Visirable - breight to Chrisch with Police went to Lambridge - was not here for fundamen fruither mothing the last bon of for a chair for Willie of this evening for town of a letter from car this mercedy host Campbell small the Louis

NOVEMBER

THURSDAY 21

1872

Churchy ofth, himsely disagreeable weather tooking like I hope it is do preded, to wished for Illuste to he care I have a head a she - this work go out to now - the granthe came married may a flow marriest to the first returner from himself and played land with have

FRIDAY 22

Y willief 2 thermen this afternoon - enchanted with the wontigne hall of last right of howen y orang hour former from Lawrency or Learful hedd agle - af hour former last - The Laffering -

SATURDAY 23

Inowing, in boles, mough would fall to make with winter to the left by 2. 0. 8 train-touthe wents with her at far all the found for many telegraphed that for all forme some the found for me the train - Lines to they had bot do her to there was fare of the west treet her poor lear fare the west tired, having tome from It titains that we may have formed to the first that we may have the west to the form of the former of the form of the form of the form of the former of the former

1872 MONDAY 25 NOVEMBER efterday, beather, a great many people at Murch, sandoling husper - I'll lounde ou or not got out to know, is going Inow has restable the star the words will be come up more Lativating! I hope - Last week out for fa by alm - willie must to the built, to the dation the Mordes are till very siche - Downey is setter - a fearful Many TUESDAY 26 Hondy, derup a litagreable I bouse with hear out pourse house the place - wrote to other a ferman - Hullie goes about Jathering who the dead lines in the Larona drambere. it took the duow - home still a pain, in my hear was & flux- We say leggel, very evening WEDNESDAY 27 Inon, found the from of hat enough for fleighing -X willie went to Allan's corner ley track - is to feture out & I hope a staght brown while - But french to make her hour the trong weight down the brankly Pythe a Paro heart out for a walk - I went out for few moments- made my burner - Insh a mise letter from Pore autome to flag ford bye! he leaved to marrow for or. york- en write to frequel may be soon returne;

The often on I went unt - I just it stores we good, to be hatter The follow by the misen train 's hast 2 occ - in the hope of sethening by 's fact to a train to meet the love amone who, was superfield, to go lige, on his may to France - they were to the appoint of fore arrower than not on the loan.

FRIDAY 29

Leighing & It is to annoying all the horses fare yet, why sish - this Episotele has been sure, on them this the Mean ones, on them the Mean ones - was, the Lervise announces are, of the Mean ones - miss to much may my huntle from the hourse, we hourd - law fee awed, this morning - was the week that withing - with a with a feel thank the hourse of the

SATURDAY 30

Not go out to stay - Laro wind our this afternoon wille man not goffar - having no horses, to go have with with - got far - having no horses, to go

MONDAY 2 1872 DECEMBER Seflerday vory colde windy, a higher for, in the morning - toth owingle I will to whate good to and - it has a commented in dance Hoses- I dwar in the bother to Church- returned on foot -X by day Blundy & third - Low mong the right Millie & can left terfore function-for a lange mine - theighing being fully The ate to un me housie a mes Campbell - ment to church this After noon - 1st Complete the later -. TUESDAY 3 I did not not out to May - a few flates of Know of sting now a then - Store hing It ery good, in home placed to the Water, continued, to traff our the shaw Eago vale out every hay - a alter from the thy an WEDNESDAY 4 Cloudy, what a wondy after unchave me to fure with For Company by bad your, to mark the place for a Protectificay - I again remained indrove to they -

put t duite a fire franchise but sugal some by bia e to and the bounds are for the sunhange of fine to key the work are for franchise for singer have a key the sunch are for the formation - for fraction for singer have a langer

FRIDAY 6

lovely hight mention - for E. M. & songalt lift by early trainby your out this after son he greatest hast of the daytrade good - we be fure week to St Lebastin this oft builties Law weak out for a spine - Law with to the Philomone who is not sail - the groom, fortifler y wite ill, the son attends him -

SATURDAY 7

Monther chief of terrecon histiers have went out for a white her have he had the Dolles By, for Lame story, to refetace the Liste ones - played leards - this mening -

DECEMBER MONDAY 9 1872 fette stay I warring be with - a good many perfele at thereby evaletioning frontied her friger after weekers - played Bergue, Hair wering - X a day knowing heavily - quite a know. Leuler in full earnish - Then to church carry this is In the seiver 'we had a grand' hulfe at g. a. e. L. Linging it the sure to lasts a flat informediately after, to go to the Alband-hulfin It george Bane by the 11.000 train a returned by the mixed train he/sport 2.000- willie Japues have the train & would of some horse Lempel Inow & torne raging, I mee Geterday - the defth of I towly not to be to tall of Land blocked - the platform furte, full, for a lune but to be from to Elunchent lingleit is quite unpallable for Vadeau who is making be grand blanduftage of the Operate Linew, had a legal timbe fit - Ea o a I whoold all the time willie my tomen cold-Bhe remains quiet, in his worm - wrote to all hyance to let property wille has taken much gold- he has a surere forer - pain in his head a leasth - Love-throat- with a dovor's hourson to night -WEDNESDAY 11 a bright fun very what 15 degreet - hadler's fore throat continued a strict the fiver, thuch left strong, than yesterday continued a strict thether, her be live ment to de fathers by

they work to the Station awful; god; grant door

And for De Chevalier, on seeing billie he Land, it was

to vight at latate in the morning - at paint his throat with

willie may som get over, this endforshow

Cloudy who a dependent seem, if home reheard lifer - the lever, his medicable seem, if home reheard lifer - the first with home his water the seem of the last of the list of the out the list of a - he is not get our the attach - the first printed from the states with the remainst of his states from the states with the remainst of his states from the traine - he to wild not have the true to the the the true to the see that the the true to the see the

Cloudy ust of of the as yesterday - willie where, after the fit of the fort of after the is to eache, he got up and the formation of the same of the bottler of him 2 founders the government to the stime a day - to this of the streng - to the south the start - the same with the start - this evening creathers carried to the thirty with the start he would be found of the south of the south of the streng of the south of t
